

## Peak's Addition Homeowners' Association Membership Drive

The Peak's Addition Homeowners' Association needs new members! We are having a membership drive and have a great prize for the individual who recruits the most new members to our organization.

### *Here is the deal...*

From now until the April PAHA monthly meeting (Tuesday, April 6<sup>th</sup>), recruit the most new members and receive a **\$100 gift certificate!** New members can join and pay their dues (\$50 individual, \$75 family) from now until the April meeting. They can join via the website [www.peakaddition.org](http://www.peakaddition.org) or contact Chris Campbell at 214-300-5929.

The benefits of being a member of the homeowner's association are numerous. From making new friends, attending neighborhood parties, becoming an integral part of improving our neighborhood... it is all a part of making our neighborhood and community strong.

The membership dues help support such things as neighborhood clean-up and graffiti wipeouts, home tours that promote Peak's Addition, general neighborhood preservation efforts (MZ Grocery, Baylor zoning, etc.), neighborhood landscaping, and Buckner Park revitalization.

So, talk to your neighbors, bring them to the next monthly meeting so they can meet other members, find out what is going on in the neighborhood, and see the benefits of joining Peak's Addition Homeowners Association.

**Plus win yourself a \$100 gift certificate!**
